

Patronage Proposal

(Patron Prospectus)

2027 IEEE Symposium on Microwave, Antenna, and Propagation (SMAP)

📍 Universitas Budi Luhur, South Jakarta, Indonesia

📅 January 20-21, 2027

1. Introduction

The 2027 Symposium on Microwave, Antenna, and Propagation (SMAP) is a premier international forum that brings together researchers, academics, and industry professionals in the fields of antennas, microwaves, and propagation.

The symposium provides opportunities for networking, knowledge sharing, and showcasing technological innovations. With over 100 expected participants from academia and industry, SMAP 2027 serves as a strategic platform for companies to connect with experts, strengthen their brand visibility, and highlight their contributions to advancing technology.

2. Organizers

- Organized by: IEEE Indonesia MTT & AP Joint Chapter, Universitas Budi Luhur and Universitas Muhammadiyah Prof. Dr. HAMKA - Financially Sponsored by: IEEE Indonesia MTT & AP Joint Chapter
- Technically Co-Sponsored by: Universitas Budi Luhur & Universitas Muhammadiyah Prof. Dr. HAMKA

3. Conference Highlights

- Opening Ceremony & Keynote Addresses
- Technical Presentations & Tutorials
- Workshops & Industry Exhibitions
- Networking Sessions

4. Why Become a Patron?

By sponsoring SMAP 2027, your company will:

- Gain visibility among top researchers, engineers, and industry leaders.
- Showcase products and services to a targeted audience.
- Enhance brand recognition through exposure on conference platforms and materials.
- Build strategic partnerships with academia and industry stakeholders.
